

HOOSIER HRC 2009 EVENT SCHEDULE

Training days begin at 9:00 a.m until June then we start at 8:00 am. (rain, snow or shine), but why not get there early for coffee and donuts. From time to time you may have to pitch in for lunch or fire up the grill with something special. If not, just plan on a quick sandwich from down the road or pack a lunch. Remember to bring the whole family on training days. It's more fun when the entire family participates

A \$5 Fee will be collected at all training days, with exception of Glens Valley, to cover the price of birds and shells. The cost for Training days at Glens Valley Conservation Club is \$5.00 PER DOG. A small price to pay for the excellent grounds we get to play on!

The Club will have poppers (blank shells) for sale at each training day. If you would like to stock up for the next year, contact Jeff Lindskoog. Whenever possible, we train with Ducks & Pigeons!
